Satchel was extremely helpful in keeping us organized, as she recorded and sorted all thoughts and ideas from the beginning, culminating in her beautiful design of our poster.

#### Notes and Comments for Person 2:

Dulce provided excellent background info and guidance to our research given her previous knowledge of the topic. She also executed most of the regression analysis coding.

#### Notes and Comments for Person 3:

Elizabeth works insanely hard. She wrote up ~~the~~ a substantial amount of the report, which was difficult because we experimented with several models.
