Total Points	23	24	24	24

Notes and Comments for Malavika:

Malavika was always committed to taking the project further and enhancing our models. She was almost always available over text and had a really good understanding of the material that helped the team.

Notes and Comments for Alex:

Alex was crucial to the team for his work in r studio. He always took the extra step and created many different models in an attempt to better explain the data.

Notes and Comments for Sumin:

Sumin was key to helping organize the group. Whenever she saw someone need help, she was ready to supplement their work with her own. The discussion part of the report was made significantly easier as she took notes for us throughout the entire project.
